

Our Church Is . . .

Designed By God

The most beautiful picture is drawn by God's description of the church as the bride of Christ. For God so loved her that He redeemed her with Christ's life, purified her by His blood and will bring history to a climax when He brings her home. The church is the reason all earth exists and it is the church that will occupy heaven through eternity.

A Place of Worship

Being the focus of God's undeserved attention and love, compels us to return His love. Worship is that honoring, adoring, reverencing, and praising that God so richly deserves. The church is God's designated place of worship. Together we bring to God the worship He created us for, and the joy He brought to us.

A Home For Fellowship

The Bible describes the Church as a body with many parts working together. By coming together we accomplish the tasks that our Lord expects of us. We can build up each other, minister to needs, give encouragement, teach, love and be loved all in the strength of God. Calvary Baptist is a refuge in the storm of life and a home for the believer.

A Center For Outreach

Jesus' desire was that the church would go into the world. From Calvary Baptist we step out in the name of Jesus. Through visitation and other ministries we purpose to share the message of God's love throughout the area, while supporting missionaries to continue the work world wide.

A Place For You

The church is the abode of God's people. Every Christian needs to be a part of a local body of believers. This is where we can give and receive the blessings of God. Our church family desires to be the place where you can be at home in the Lord. We here at Calvary pray that God uses us to show His love to you. If there is any way that we can share His blessings with you, please let us know.
